MESSAGE

I convey my heartiest greetings to all teaching fraternity of KVS on the occasion of Teachers' Day that is celebrated on 5th September every year to commemorate the birthday of great philosopher and educationist Dr Sarvapalli Radhakrishnan who always dreamt that "Teachers should be the best minds of the country". He strongly believed that unless education builds wisdom and humanity in the hearts and minds of children, all its professional, scientific and technological triumphs would be meaningless.

We all know that the destiny of a nation is written by its teachers who are the real influencing agents in the life of every student. The students imbibe the values of true citizenship during their formative years from their teachers and regard their teachers as their role model. History is full of such evidences that underline great role of teachers in nation building. We have a glorious legacy of great teachers who have guided the world and have shown the people the sublime path for mental, physical and spiritual health.

Our teachers, during their noble journey of teaching profession, help the children manifest the infinite potential that they are gifted with and inculcate in them the feeling of love for the nation and respect for others. We know that values are caught, these cannot be taught. Our school environment needs to be charged with the core values of our rich culture so that our children assimilate them without any conscious effort. I am confident that our teachers are capable of igniting the minds of the children placed under their academic care for accomplishment of their aspirations. We, as a team, will certainly excel in our honest pursuit of excellence in all walks of our life.

I am proud to be associated with such a dynamic and vibrant organization that has extraordinary team of teachers who have taken teaching as a mission. Our teachers have a very special place in social life and they are regarded as the strongest driving force for smooth and productive academic journey of the child.

I wish all the teachers a very happy Teachers' Day and hope that they will keep on giving their best to bring the glory to KVS.

Jai Hind
